

The following surnames are those of southern Alberta individuals and families represented in our Jewish Historical Society of Southern Alberta Family Reference files. Material in these files is usually photocopied from original sources, and may include related articles and research notes, newspaper clippings, family histories, and oral history transcripts. First names and maiden names are not published for privacy reasons, and each alphabetical sections begins with a "Miscellaneous" file. Please contact us if you need more information or are looking for a specific person. While this list is updated periodically, we may have information on individuals or families not currently listed here. updated Oct. 2025
